ONTARIO UNION GAMES.

HAMILTON, Ont., October 16.—The first Rugby football match in the senior series this season was played on the Cricket grounds on Saturday afternoon between the Kingston Granites and Hamilton Tigers. A downpour of rain, an hour before the game caused wet and slippery grounds, and several showers during the game made it more disagreeable for players and spectators. The home team was out-classed at nearly every point, the Granites doing all the scoring. At half-time the score was: Granites, 11; Tigers, 0; and at the close of the game the figures were Granites, 13; Tigers, 0.
