

## LONDON EASY FOR TIGERS.

Hamilton, October 14.—Hamilton beat London in the O.R.F.U. senior game here today by 59 to 3. At half time the score was 34 to 0. The game was a burlesque. Clark was responsible again for London's points, repeating his performance last Saturday of making a goal from a drop kick. Tope and Stinson both showed signs of distress and were laid off by Captain Ballard, and the Tigers played the last part of the game with ten men against the visitors' full team. Stinson made the most sensational play of the day when he picked himself up off the field and overtook McMahon, who had intercepted a pass, and started down the field on a good start with a clear field before him.
