Toronto, Oct. 26.—In a city series game Saturday afternoon the University of Toronto Rugby squad defeated the T. R. and A. A. representatives by the score of 14 to 12. The closeness of the score is an indication of the play. When the final whistle blew the O.R.F.U. representatives were within scoring distance, and a further period of play might have given a different result. The University players only secured their lead in the last quarter. At certain periods of play the game resolved itself into a punting match between the two teams.

Vivian, Degruchy, Heffernan and Whale were the stars for the T. R. and A. A. team, while Hughes and Cassels on the wing line and Lindsay at half were the students' best. The 'Varsity half-line was, however, outclassed by that of their opponents. The wing line, was not, however, in the limelight so much as in other games.
