

TIGER CUBS BEATEN

KITCHENER, Sept. 23.—Hamilton Tigers O. R. F. U. senior team took an 18 to 0 lacing at Victoria Park here Saturday afternoon at the hands of the Kitchener-Waterloo Panthers, coached by Tommy Henderson. The game was a pre-season affair, and it showed that the Panthers will be a factor in the group race with Balmy Beach, and that the Hamilton team need more drilling in team play. The Tigers were big, but they did not match the locals in speed or rugby brains with the result that the winners earned their victory as decisively as the score would indicate.

The losers made a good stand in the second period when they uncorked some nice extension plays, but after that session the homesters broke them up pretty well. Hamilton came the closest to scoring in the third period when Hayward tried a drop over, but Schneider ran it out and the Panther halfline booted the ball from the danger zone.
