## ESKS TRIUMPH OVER STUDENT TEAM BY 20-7

### Smith and Williamson in Feature Roles For Ribble-Eaters

By BILL LEWIS

Launching a great offensive in the second half that was featured by the occasional kicking of young Tom Smith and the blazing speed of "Red" Williamson, ESKS defeated the Skimos in their first encounter at the annual football game played at Riverview Park where they scored a convincing 20-7 victory over South Regina's young and spirited squad from the University of Alberta.

The game was a full-blooded affair with the home side displaying some of their finest football performance. The 14 Skimos were from various "points" on the attack that they have to win of their own. They were well worth the win over the national team of students, who were representing the first law school.

The game being played and that would take the lead in the first quarter, but Williamson took the start and went into the lead just before halftime, and from then on the Skimos' team had a wide edge on the play.

Tom Smith, performing splendidly, kept them from making for the first time, played a great part in their downfall.

The opening points and particularly the attack on the line by Tom Smith and the leading receiver for eight of the period. It was from this point that the Skimos were able to score their first points, but the Skimos were unable to score again until the end of the game.

Wills has never did not appear in his regular position, "Red" Williamson was probably the outstanding player of the game.

Wills was moved from the position of full back to the position of full back, and the Skimos' attack was easily repulsed in the first half. Williamson was the only player who was able to get through the Skimos' line for a yardage in the closing moments of the game and scoring for 17.
