

Eskimo Gridders Defeat Varsity

City Seniors Wind Up Schedule With 2-1 Victory

Eking out a 2-1 victory by means of rouges in the last half, the Eskimos scored their second senior victory Saturday afternoon at Renfrew park over the University of Alberta in the final game of the Alberta rugby schedule.

Varsity opened the scoring the first quarter when Hutton rouged Dolighan on Edwards' kick.

After the Esks had been unable to make any sort of headway against the green and gold machine for two quarters, the city squad finally got under way in the third period, when Ritchie and Williamson combined to rouge Austin, who had taken Dolighan's kick.

In the final quarter, the Eskimos got their winning point when Duggan and Matheson pulled Austin down behind the Varsity goal line. Austin had taken Carver's kick, but was unable to get away on the slippery field.

While play was close, the feature of the game was the improvement shown by Varsity. The field, which for some reason had not been scraped clear of snow, was slippery and slowed up play considerably.
