

Varsity Plays Altomahs Here While Juniors Travel To Calgary

With their fourth successive victory and the provincial football championship in immediate prospect, University of Alberta Golden Bears will be hosts to Calgary Altomahs here Saturday afternoon at the Varsity grid at 3:00 p.m.. The occasion will mark Calgary's first invasion of the city this fall and if the students win the engagement will be the only appearance of the Altomahs here.

A win for the Calgarians would tie up the league standing and necessitate a playoff game which would probably be staged here next Saturday. The Varsity team hopes to dispense with the formality of further playdowns by vanquishing the visiting squad Saturday.
