

Lions To Be at Full Strength

North Shore Lions Canadian football stock went up a couple of points when word from the Hill Billies camp revealed that "Quint" Dionne and Lucking, two first string stars, will be back in action for Saturday's important tiff with Meralomas at Athletic Park.

Dionne, centre ace of the North Shore squad, and Lucking, smart kicking halfback, missed last week's game with Knights of Columbus. The return of this pair gives Lions a first string line that should be able to hold its own with Meralomas.

In Dionne, Errington, Milstead, Hindle and McMillan the Lions have a first rate line. The back division is also studded with stars that bode no pushover for the Moaners. They have Bullock at quarter to toss the passes and young Jock Taylor, a classy punter, flanked by Smith and Modine, on the half back line.

Game starts at 2:30 o'clock.
