**O.R.F.U.'S CHAMPIONS NEVER IN RUNNING AT

AGAIN RUSH INTO DOMINION FINAL**

TORONTO, Dec. 5.—Brilliant exponents of razzle dazzle football and all the term implies, Toronto Argonauts planted themselves firmly in the Eastern Canada senior football throne seat for the second straight year at Varsity Stadium Saturday by galloping off with a 25-8 triumph over Sarnia Imperials.

Electrifying a crowd of 16,000 with an aerial offense that packed all the deadly venom of a cobra, and a running attack that flamed like prairie fire, Argos left no doubt as to their qualifications as standard-bearers of the East in the National final with Winnipeg Blue Bombers this Saturday.

Statistics give a clear-cut picture of the rout. In pulverizing the Barnum line to a pulp, the winners picked up 218 yards by rushing to 123 for the Imperials. They completed eight out of a total of 14 forwards—and what passes some of those were—for a total of 158 yards via this method. Barnum, on the other hand, made only 71 yards on seven completed passes out of 22 attempted.

When in asking the Argonauts had their first victory over the visiting Thunderbolts of his career. Big Bob Ingham, who had been a member of the Thunderbolts' team, was the hero of the game. Argow's brilliant punishment of the Hammer was in line in starting the game. The players believed to be the weak point in the Imperial defense. The game was just getting started when Argow and his team found their first touchdown drive, and it was all Trepanner and Burr that they scored on. Harris, who played a snail's pace, was the only player to get a first down for eight yards. Marthen burst through the right side of the line to gain 32 yards. The game was to calling 32 yards of the game. 33. Argow's team was in the lead. The Argow team lost. Just when it appeared as if Harris was the only player to get a first down, the Argow quarter reached into his bag of tricks and pulled out his play. A touchdown was the result. The game was over. The Argow team carried the ball. He flipped in back to Marthen, who threw a 32-yard pass to Art West. The latter kicked to Art West. The game ended the remaining five yards. Bill Zukens converted, and the Argow team won.

How They Mix 'Em Up!

How They Mix 'Em Up!

Rebudding the opposition with a wide assortment of lake end runs, reverses and flicker plays, Argonne got their second touchdown midway through the first period. They began the drive on their own 51. Arnie Stukus started by shooting an 11-yard forward to lobster. West lacked an 18 more on a fake kick. Bill Stukus then leaved another 23-yard pass to Art West, who made a spectacular catch on the Barmia three and scrambled over. Bill Stukus again converted to make the score 12-0 at the end of the first quarter.

A second, new period was marked by Sarina's first offensive. He was a goal-scoring machine, primarily on a kick and a 13-yard penalty for roughing. Moore as he reached the end zone. He was a real offensive. They were in possession on the Arm 26. A forward and line and a fullback and a halfback and a running end netted 16 more. But just when it looked as if the O.R.P.U. was about to win, the game was tied in the half game, a fumble by Alex Hays turned their scoring chance. The O.R.P.U. never again got within striking distance of territory for the remainder of the game.

Moore was the man responsible for the O.R.P.U. in the second quarter to regain its scoring stride in the third quarter. The Sarina quarter back, Alex Hays, was the man who lateral out of bounds that showed the

Impulsively back to their own eight-yard line. Starling attempted to kick on the first down, but a horde of Argonauts broke through the line to toss him for a safety before he had a chance.

McWatters Gets Results

Although their cause was hopeless, the Imperials never quit trying, and with the entrance of McWatters into the game they showed their first sign of offensive strength. A 15-yard howl by McWatters was good for a rug and the first Sarnia point. And the added another consolation before it

Argue began to yell again in the hallway. Stanchfield paved the way for a field goal when he recovered a fumble by Sterling on the Storm's 21.

Argue's Stukas dropped back again after a three-point play from Sterling.

Sarna responded with a call to his coachmen. Sterling braved a 22-yard forward to Brime Moore. Hegeberg's kick was good. The Liberty State.

A 15-yard penalty for piling on against Argue moved the ball to the Toronto 17. Sterling and Gellah burst to the line of scrimmage. Sterling drove over on an end run. Sterling converted for Sarna's last point of the game.

But the Argues weren't through yet. A short buck by Sterling sent

ver. A short kick by Stirling gave the Argos possession on the Saints 37. A pass by Bill Stukas to Rodi netted 12 yards. Another forward, Mac Peterson to Annie Stukas, was good for a touchdown. Stukas took the ball with one hand from behind a Saints player. Annie Stukas converted from placement to make it 24-8. Argonauts completed the rout by adding a single-ton in the dying minutes on a 63-yard kick by Luster.
