

Sarnia Plays Best Game Of Season

Celeri Bested In Passing Duel With Bruin Coach

By BILL SHIELDS
Of The Star's Sarnia Bureau

KITCHENER — Led by the brilliant quarterbacking of their playing coach, Joe Zaleski, Sarnia Golden Bears defeated the Kitchener-Waterloo Dutchmen 32-21 here Friday night.

Completely outclassing the Dutchmen in every department, the Bears came up with their strongest game of the season at both offence and defence to rack up their second straight win over the Dutchmen.

Joe Zaleski passed for four touchdowns as he bested Bob Celeri in a pitching duel before close to 2,000 fans. Black Magic completed 12 for 17 and had none intercepted.

By virtue of their victory, the Bears moved into a second place tie with Toronto Beesches. It marked the third defeat for the Dutchies this season and all have been to the Bears.

The game was little more than two minutes old when Tackle Farmer Smith pounced on a Kitchener fumble on the K-W 16. Three plays later Mat Robillard plowed over for the major which Embry Robinson failed to convert.

A third downumble by Bob Celeri on his own 25-yard line set up the second Sarnia TD. After three ground plays, Zaleski tossed a 15-yard strike to End Bill Robinson in the end zone. Embry Robinson's convert attempt was good.

Frank Macey, who was a star at defensive back for the Bears, set up the third Sarnia major when he intercepted a Celeri pass on the Bears' 42. Bill Robinson broke through for a 20-yard run and on the next play Zaleski hit Paul Koziey with a 50-yard touchdown pass.

With the Bears leading 19-0, Bob Celeri took to the air and on two plays after the kickoff he passed 60 yards to Don Loucks in the end zone. Graham converted. The Dutchmen drove up field again and as the minute flag went down Billy Graham plunged over for the touchdown and he added the convert.

Continuing to dominate the play in the second quarter Zaleski fed Embry Robinson and Matt Robillard through the line. Old Black Magic caught the Dutchmen flat-footed when he tossed a 521 yard heave to Paul Koziey, for the second touchdown for the rookie from Winnipeg. The convert attempt was no good by Embry Robinson.

At halftime the Bears were leading 25-14 and Zaleski was batting 1000 completing seven for seven.

The Dutchmen tried to come back in the third and after taking the kickoff they marched 75 yards downfield and Billy Graham snagged a Celeri pass from the major.

Holding off the determined Dutchmen, Zaleski found the range once again. This time it was a 20-yard touchdown pass to the rookie Fritz Gendron. Archie McAffee converted to end the scoring.

In the final quarter, the Bears alert defence held the Dutchmen off when they were within scoring range on three occasions. The lineplay of Bob Hurlock, Farmer Smith, Don Davey, Bruno Harkins, Wayne Horner and Bob Sokol was too much for the K-W squad.

On pass defence Ed Stowe, Larry Cardonick, Frank Macey and Archie McAffee were stand-outs. When the Dutchmen were within scoring range the Bears' defence tightened up and three pass plays in the end zone were broken up.

SARNIA — An appealing advising that the Lambton Co. is now conducting its study as dystrophy, its only appeal for The inroads made by the wasting disease among the people of Canada is especially tragic, since study has failed to come up with a permanent cure. Fortunately, the disease is not one of our major killers.

Those of us who have seen muscular dystrophy sufferers, and most of us have, cannot help but be moved by the patient optimism with which they face a lifetime of comparative immobility, knowing that the Mr. Thackeray end can come at any moment.

The association, doing its part to alleviate the lot of the local sufferers, as well as to help provide funds to carry on the study which will someday bring a cure, deserves the full and wholehearted support of everyone in the community.

FOOTBALL HOPEFUL

Bill Robinson, fleet-footed Golden Bear import, is job hunting these days. Bill, a standout player since his mid-season arrival, along with his equally stellar brother, Embry, wants to settle down in the Tunnel City.

"I like it here," he said. "Everybody's so nice to me."

As a result of his reception, Bill, who is scheduled to be married early next year, is looking for a permanent job.

Bill made his statement on the basis of the reception Sarnians accorded him. The same people have also formed a similar opinion of the actions of the brothers, both of them true sportsmen in the strictest sense of the word.

We hope Bill settles down here, and that Embry follows his lead. Men of this calibre will become outstanding citizens of this growing metropolis.

CROWDING PAINS

The Sarnia secondary school system development, sparked by the projected normal population increase, and threatened with rapid expansion by a potential influx of large numbers of industrial workers, is posing new problems to school boards.

With the new Northern Collegiate still in construction stage, study is already being given still further expansion of the system.

The full co-operation of the city and suburban boards group in providing Northern as part of the school system is one of the outstanding feats of the past decade, but, according to edu-

both defence and offence with the loss of import End Bill Robinson, who was a injured midway through the second quarter. Robinson was anxious to get back into the game, but on the advice of Dr. Doug Richardson, team doctor, he sat out the last half.

Embry Robinson, second half of the brother act, missed most of the fourth quarter after receiving a minor leg injury.

Although the Dutchmen had 25 firstdowns to the Bears' 18 they were unable to cope with the variety of plays Zaleski tossed at them. The Sarnia quarterback, who played his best game of the season, mixed his ground plays with passes to completely haffle the Kitchener defence.

For the Dutchmen, Billy Graham was the outstanding star, scoring 15 points. Bob Celeri, who was given a rough night by the hard charging Sarnia line only completed 17 or 38 passes and two intercepted.
